

# Way to Go!

The spirit of giving continues all year long at Red Deer Public Schools as students support many great causes locally and globally throughout the year.

In October, G. H. Dawe embarked on "The Great Snowsuit Exchange." People were encouraged to donate gently used snow gear for all ages for exchange or donation. The students and staff gathered two refrigerator boxes full of donations which included brand names and new items still with tags. The students reflected on this experience and were truly proud of their accomplishments.

Gateway Christian School students hosted their annual French Café and raised over \$1700 for the Pregnancy Care Center and Make A Wish Foundation. On November 1<sup>st</sup>, "Café Chaser" named in memory of a classmate who passed away, was open for business. This event taught students about the types of food served at a café as well as how to order and serve speaking French. With supplies donated by parents and the Red Deer Coop, students prepared and served sandwiches, desserts and refreshments to guests and schoolmates with the proceeds going towards two great organizations.

To kick off The Festival of Trees, students from Fairview Elementary were selected to decorate bags to cover parking meters during the annual Tree Lighting and Christmas Parade. Mayor Morris Flewelling came to the school to select a winner from each class including a grand prize winner who will get to "throw the switch" to light City Hall Park. The festivities start on Tuesday, November 22<sup>nd</sup> at 6:30 pm, at The Old Court House. The public is invited to this event

which will also include fun children's activities, live entertainment and the Santa Claus Parade.

To G.H. Dawe, Gateway Christian and Fairview Elementary for enhancing our community and making it a happier place to live, we say...

## Way to Go!

We salute  
students and  
staff for  
outstanding  
accomplishments  
and  
achievements  
in our schools!
